Dear Sir:—

In mailing recently a cheque for 1923 dues as an Associate Member of the A.N.S., I omitted a request which I desired to make.

I wish to have myself recorded by the A.N.S. as a resident of COOPERSTOWN, N.Y., where my real home is. A note might be added stating that my address for mail is 136 W. 44, N.Y. CITY, as I have spent so much time here for the last three years that I have nearly all my mail sent here. Mail addressed to me at Cooperstown of course reaches me, but not quite so promptly.

Hoping that you can attend to this matter for me, I remain

Yours very truly
Wm. Festus Morgan.
